3. Opening an account

How does my SIPP Dealing Account work?

- 3.1 You can use **The SIT SIPP Dealing Service** to buy, sell or subscribe for certain types of **investments** to be held within your **SIPP**.
- 3.2 Your **account** can hold both **investments** and/or cash and where relevant we will maintain separate records of these for you. Your **investments** will be pooled with those of other clients and held electronically in our **nominee**.

Our **Nominee** has legal title to the **investments**. We maintain a separate client bank account for **The SIT SIPP Dealing Service** with an **approved bank** that contains the money we hold that belongs to our clients. In respect of the holding of both cash and **investments**, our arrangements fully comply with the requirements of the **FSA** and HM Revenue and Customs rules and regulations.

- 3.3 We cannot give you any investment, taxation or other advice in connection with your **account**. If you need advice, you should consult an appropriate professional financial adviser.
- 3.4 When you apply to become a client, we will allocate to you a personal reference number (**PRN**), a personal identification number (**PIN**) and give your **account** an Account Code. We will not accept any instructions or subscriptions from you unless you satisfy our security verification procedures. We will also send you details of these procedures. When we accept you as a client we will send you a welcome letter or e-mail.

Who can open an account?

- 3.5 You must be 18 years of age or over and be resident in the **UK**, Jersey, Guernsey or the Isle of Man or if not a resident, performing duties as a Crown employee serving overseas and paid out of public revenue of the United Kingdom (typically a serving member of the armed forces, or a diplomat) or married to, or in a civil partnership with such a person. You must inform us if you cease to be resident in the **UK**, Jersey, Guernsey or the Isle of Man or cease to be a Crown employee serving overseas.

To make contributions to your **SIPP**, you must be resident and ordinarily resident in the **UK**, not including the Isle of Man or the Channel Islands.

Where the application for membership of the **SIPP** is made by a legal guardian on behalf of a person under the age of 18 all authority to operate the **SIPP** and the **account** will rest with the legal guardian until such time as the member reaches 18 years of age at which time all authority will automatically pass to the member.

What needs to be provided when opening an account?

- 3.6 Prior to accepting you as a client we may require you to complete certain documents and provide evidence of your identity in line with the law to prevent money laundering.
- If you do not provide the appropriate documents or we are not satisfied with them, we may:
- delay accepting your application for an **account**;
 - refuse to accept your application for an **account**;
 - refuse to accept cash or stock;
 - hold any deposited cash or stock until customer verification is complete;
 - refuse to buy, sell or subscribe for **investments**;
 - refuse to make payments to you from your **account**; or
 - close your **account**.

As a result, the price at which we then **deal** for you could be higher or lower than the price at the time we receive your application or instructions.

What are the risks?

- 3.7 Buying **investments** can involve risk. The value of your **investments** and the **income** from them can go down as well as up. You may not get back the full amount you have invested.
- 3.8 There is an extra risk of losing money when shares are bought in some smaller companies including penny shares. There may be a big difference between the buying price and the selling price of these shares. If they have to be sold immediately, you may get back much less than you have paid for them. The price may change quickly and it may go down as well as up.
- 3.9 Certain **investments** may not be readily realisable. You may have difficulty selling these **investments** at a reasonable price and, in some circumstances, it may be difficult to sell them at any price. You should not invest in these **investments** unless you have carefully thought about

whether you can afford them and whether they are right for you.

- 3.10 In certain overseas jurisdictions there may be different **settlement**, legal and regulatory requirements to those applying in the **UK** and also different practices for the separate identification of clients' **investments**.
- 3.11 Foreign **markets** will involve different risks from **UK markets** and in some cases the risks will be greater. On request, we will provide you with an explanation of the relevant risks and protections which will operate in any foreign **markets**, including the extent to which we will accept liability for any default of a foreign broker whom we use to process **deals**. The potential for profit or loss from transactions on foreign **markets** or in foreign denominated contracts will be affected by fluctuations in foreign exchange rates.

4. Funding your account

How does funding work for a SIPP?

- 4.1 The proceeds from the sale of **investments** will be paid into your **SIPP** as will any **income** arising from your **investments**.
- 4.2 When you instruct us to buy or subscribe for **investments** for you, your **SIPP** needs to contain sufficient cleared funds to meet the full costs of the purchase or subscription.

If cleared funds are insufficient at the point of execution to cover the whole amount of a purchase or subscription, we will either:

- not carry out any part of the purchase or subscription; or
- adjust your trade to match the cleared funds in your **SIPP**.

In order to fund your **account** please refer to the **Key Features Document** for full details of how to make contributions to your **SIPP** and/or arrange for transfers to be made to your **SIPP** from other registered pension schemes.

5. Dealing and Advanced Dealing (TradePlan)

How can deals be placed and what sort of investments can be bought?

- 5.1 Unless we agree otherwise, we will accept telephone and online dealing instructions and provide **nominee** and **safe custody** facilities as follows:
- telephone **deals** to buy, sell and subscribe for a number of different types of **investments**. The types of **investments** you can trade on the telephone are listed in **The SIT SIPP application pack** and on our **website**;
 - online **deals** to buy, sell and subscribe for a number of different types of **investments** using our **online service** at www.halifaxsharedealing.co.uk/ **online**. Instructions for our **online service** can only be made using our secure **website**. If the **website** is unavailable or if you receive an 'error' message you should contact our Call Centre to place or confirm your instructions by telephone. The types of **investments** that you can trade online are listed at www.halifax.co.uk/sharedealing;
 - any **investments** that you buy will be held in your **account**;
 - before placing an instruction to **deal** in 'Complex Instruments' that is derivative products and **warrants** you will be required to complete an assessment. As part of this assessment a risk warning notice is given to you in compliance with the Rules of the **FSA**. It warns you to consider carefully whether complex instruments are suitable for you and that you should not deal in them unless you understand the nature of the transaction you are entering into and the extent of your exposure to potential loss.

When can deals be placed and how will instructions be carried out?

- 5.2 You can buy, sell or subscribe for **investments** during the **dealing period**. You must tell us the exact name, number

- or value of **investments** you want us to buy, sell or subscribe for.
- 5.3 When you ask us to trade **investments** we will carry out the trade in the currency of the **market** on which we trade or in the case of Unit Trusts and OEICs the currency defined by the Fund Manager. Where necessary and in order to effect **settlement** with you in accordance with clause **6.1**, this currency will be converted to pounds sterling based on the exchange rate from time to time determined by us at the time of execution. Such rates will reflect the prevailing currency market at the time of conversion and will include a spread, or charge, which can vary from time-to-time. Current rates are detailed on our **website**. We will give you an indicative exchange rate at the time of dealing although you should be aware that the actual exchange rate applied to your trade may change from the indicative rate provided. The rate achieved for each individual trade is confirmed on the **contract note** once the **deal** has been completed.
- 5.4 **If** we accept instructions inside the **dealing period**, they will be carried out as soon as reasonably practicable. **If** we accept them outside the **dealing period**, we will carry them out as soon as reasonably practicable after the start of the next **dealing period**. Orders for Unit Trusts and OEICs will be traded at the next available **Assured Valuation Point (AVP)** if submitted 45 minutes prior to the **AVP**. Orders submitted after this time will be traded at the subsequent **AVP**.
- 5.5 We will carry out your instructions in accordance with our **Order Handling Policy (OHP)** and **Conflicts of Interest Policy (COIP)**. Where there is a conflict between our **OHP** and **COIP** and these terms and conditions, the latter will take precedence.
- 5.6 We may buy, sell or subscribe for **investments** for you and other clients as part of the same **deal**. When we do this, we must reasonably believe that the aggregation of orders is unlikely to work to your disadvantage. However, it could result in a slightly less favourable price than if we had bought or sold your **investments** separately.
- 5.7 Subject to condition **5.22** we will carry out each instruction to **deal** in more than one type of investment or each instruction to **deal** at different times in the same type of investment as separate instructions. Charges will apply separately to each **deal**.
- 5.8a Other than where **5.8(b)** applies, when you instruct us to buy, sell or subscribe for **investments**, you cannot change your mind afterwards. Your instructions will not bind us until we have accepted them. We will confirm that your order has been accepted by giving you an order or bargain reference. See also condition **11.9**.
- 5.8b **TradePlan** instructions submitted can be cancelled or amended **ONLY** when they have a status of pending otherwise they are subject to the terms as defined in **5.8(a)**.
- 5.9 On occasions the demand for the service and market conditions may fluctuate. Consequently once we have accepted your instructions to buy, sell or subscribe for **investments** we cannot accept any responsibility for any actual or potential financial loss or expense you incur if for any reason (other than our negligence) there is a delay or change in market conditions before execution of your order is complete.
- 5.10 When we have accepted your instructions to buy, sell or subscribe for **investments** we may, at our discretion, contact you to confirm your instructions. We will do this if we reasonably believe that it is in your interests to do so.
We will not be liable to you if we do not contact you.
- 5.11 **If**, after an order is placed on your behalf on a **market** or with a Fund Manager and we are asked by them to cancel any dealings in the relevant stock, we will not be liable for any loss that you incur. In particular, we reserve the right to cancel any duplicate or repeated instruction you give to us where the circumstances

indicate that the **deal** has been split into smaller orders to take advantage of any market limitations or restrictions.

What is Advanced Dealing (TradePlan) and how does it work?

- 5.12 The following conditions 5.12 to 5.26 inclusive explain how **TradePlan** works. The following defined words in bold type have special meaning in relation to **TradePlan**:

Limit order – a **TradePlan** order that sets a price above which you will not buy or below which you will not sell **investments**. If the next price in the **market** is equal to or better than the **limit price** then it will be executed at that price. The order will be triggered at the best price in the **market** for that order size;

When you ask us to place a **UK limit order** for you it will be accepted on the express condition that we will not make the details of such order publicly available.

Limit price – the maximum or minimum price at which you are willing to buy or sell specified **investments**;

Price locking – an order comprising of a **stop loss order** which tracks the price of an **investment**. If the order to sell at your **stop loss price** is not met during a **working day** then the **stop loss price** is automatically revised upwards based on the closing price and the parameters you set when placing the order. If the **stop loss price** is met during a **working day** then the order will be executed;

Range trading – a **TradePlan** order comprising of two **limit orders**, one to buy **investments** at a **limit price**, and one to sell those **investments** at a different **limit price**;

Stop loss order – an order to sell an **investment** triggered when the **stop price** is met or passed. The order will be executed at the best available price in the **market**, for that order size. The execution price may be higher than, equal to or lower than the **stop price** (see 5.19);

Stop price – a price set by you at which you are prepared for an order to be executed;

Target setting – a **TradePlan** order comprising of a **limit order** to sell **investments** at a price higher than the current price and a **stop loss order** to sell **investments**, if the price falls, at a lower price than the current price. If one side of the order is executed then the other will be cancelled;

TradePlan – a collective name for **target setting**, **range trading**, **price locking**, **stop loss orders** and **limit orders**.

- 5.13 All orders will be treated as individual orders unless they are inter-related orders under **TradePlan**. An interrelated order pair is where one side of the **TradePlan** is contingent on the other, and therefore may be cancelled if the other executes. Placing subsequent **TradePlans** does not necessarily replace or cancel previous ones set.

- 5.14 You are able to leave a **TradePlan** order that will expire at the close of business on any **working day** in the future, except for **limit** and **stop loss orders** that will run for a maximum of 90 calendar days. The order will run until either expiry, execution, amendment or cancellation by you or deletion by us. We may decide to extend the maximum period beyond **90** calendar days, should this be the case, we will publish details on our **website**. At the end of each trading day we will perform a check of available stock and cash on your **account** against pending **Limits**, **Stops**, **Target Setting** and **Price Locking TradePlan** instructions. If insufficient stock is available to satisfy a future sale, the **TradePlan** may be deleted. Should this occur, you will receive an email notifying you of the deletion.

- 5.15 A **limit order** or **stop loss order** may be partially executed when the **limit price** or **stop loss price** is met. You will not have any right to cancel the part of the order which has been partially filled.

- 5.16 A **TradePlan** may be amended or cancelled by you, as long as the order

- has not been carried out or is not in the process of being executed and we accept the cancellation or amendment.
- 5.17 It is your responsibility to verify whether an order has been carried out and, if it has not, whether you require a new instruction to be placed.
- 5.18 When we accept your order, we will endeavour to follow your instructions and will generally carry out orders by reference to time of receipt. We do not guarantee that **TradePlan** orders will be executed even if a price is met by market conditions.
- 5.19 **TradePlan** orders are designed to execute when the price of an investment meets, falls below or rises above a specified price. In the period between the price being achieved and the execution of the order, the price of the **investment** may have moved. This may mean that the order is dealt at a slightly different price to the **TradePlan** price. In certain market conditions, the price difference could be significant. In addition, specific events may cause the price of an **investment** to move to an unusually high or low price, which may cause your order to execute at those prices. Any order executed in these circumstances will be valid and we will not be liable for any resulting loss.
- 5.20 An order to “Sell All” will result in all **investments** owned in a security in that **account** being sold. This type of order will take into account any pending order for the same **investment** regardless of order type and take into account any withdrawals or deposits since the original order was placed.
- 5.21 **TradePlan** orders can be placed on all **UK** listed **CREST** eligible **investments** although we can change the range of **investments** which are available.
- 5.24 If you place a **TradePlan** order and the stock is then subject to a **corporate action** our standard practice is to execute orders when a price is met, even if the **corporate action** affects the price either technically, for example through a re-structure or because of **market** sentiment.
- However we reserve the right to cancel, amend or otherwise intervene in such orders.
- 5.25 We reserve the right not to offer a **TradePlan** or to withdraw the **TradePlan** facility on certain types of **accounts**.
- 5.26 We will not be liable for any failure to execute a **TradePlan** order for technical or operational reasons, except for negligence on our part (including allowing for market stabilisation, and auction periods).

Are there any times when deals can't be placed?

- 5.27 We may refuse to accept any instructions. In particular, we may ask you for proof that you have the right to **deal** in **investments** for which you have given us instructions.
- We may not **deal** for you until you have provided us with proof that is satisfactory to us. In particular, we may not accept your instructions unless:
- we have verified any changes to your personal information;
 - we have received any documents (correctly filled in) we may have asked for;
 - we have all the documents (including any share certificates) and information we need to carry out your instructions (this includes any evidence we need to confirm a change to your name or address);
 - where **investments** are held in the name of another person and you wish to give us instructions to sell those **investments**, we have received satisfactory proof of your authority to **deal** for that other person.
- 5.28 We may refuse to sell **investments** that you have purchased or subscribed for

through us until we have received cleared funds for that purchase or subscription. **If** we do accept instructions to sell **investments** that you have purchased or subscribed for through us before we receive cleared funds for that purchase or subscription, we may delay the transfer of the proceeds of sale from those **investments** into your **account**, until we have received cleared funds for your purchase or subscription.

5.32 When you buy or subscribe for **investments** we will debit your **SIPP** on the **settlement** date.

5.33 **If** at any time we reasonably believe that the necessary documents, information, funds or fees will not be provided, and if such documents, information, funds or fees have not been provided by the date stated on the **contract note** or notification as advised to you:

- We may treat any outstanding transaction as having been cancelled and terminated;
- We may buy **investments** to replace those you failed to provide, allowing us to settle the **deal**;
- We may require you to reimburse us for the cost of buying the **investments** and pay a charge to cover our extra administration costs and any buy-in or enforcement fee for late delivery of **investments** levied in connection with **CREST** or by a Market;
- We may claim from you the total amount that you owe us together with interest on that amount at a rate of 2% above the Halifax variable mortgage base rate from time to time in force (calculated on a daily basis) from the date due until payment in full has been made;
- You authorise us to realise any of your assets that we hold, or instruct our **nominee** to sell any of your **investments** or connected rights that it holds for you, and apply the proceeds towards settling the total amount owed by you. Any shortfall will still be due from you; and
- You authorise us to apply any cleared funds that we hold for you towards settling the total amount owed by you on your **account**. Any shortfall will still be due from you;
- We may amend your 'income handling' option from 'Pay Away' and retain any funds until full payment is received.

5.34 When purchasing international shares we will notionally limit your order to **90%** of the available funds in your **account**.

Who has authority to deal?

5.29 We will accept instructions to buy, sell or subscribe for **investments** for you:

- from you, where you warrant that you have the right to trade and that no other person has any rights or interests in those **investments** that prevents you from trading them in line with these conditions. Any instructions that we accept in good faith will form a legally binding contract between you and us. In particular, you authorise us as your agent for the express purposes of following your instructions in line with these conditions;
- from a person who has a legal right to give us instructions (for example, from the administrator or trustee if required in order to pay any tax or charges, or if you are made bankrupt or your personal representative);
- from a person that you have authorised in writing to give us instructions (for example, someone who has a Power of Attorney for you) as long as we have accepted your written authority to do so; or
- from all **account** holders who are named on your **account**.

What other conditions relate to dealing?

5.30 **If** we negligently fail to carry out your instructions that we have accepted we will try to return you to your original position or the equivalent.

5.31 **If settlement** is due to take place more than 3 **working days** after the **deal**, we may require you to pay an additional charge. Details of this charge are available on request.

We do this to limit the risk that a sudden adverse change in market conditions or exchange rates result in your order exceeding the available funds. However, should such a change occur you will remain liable for the full cost of the order.

6. Settlement

How will money settle?

6.1 Your **account** will be denominated in pounds sterling (or in euros if the euro has been adopted as the UK's currency). We will carry out **deals** and settle them with you in pounds sterling (or in euros as appropriate).

Where we are required to settle any transaction with a **market** in a currency other than pounds sterling, we shall convert into or out of the relevant currency, in accordance with clause **5.3**, the amount of funds necessary for **settlement**.

6.2 We accept no responsibility for default or other failure to perform by a third party **settlement** agent, depository, clearing or **settlement** agent or system or any participant in one of them except where such default or failure is directly caused by our wilful default or negligence in connection with the performance of services under these terms.

When will money be received when shares are sold?

6.3 If you make a sale we will credit your **SIPP** on the **settlement** date shown on your **contract note**. For your convenience sales proceeds from sales can be reinvested straight away.

What happens if funds aren't supplied for a deal?

6.4 If you fail to make payment by the **settlement** date stated on the **contract note** and notified to you at the time of the **deal**, we may:

- treat any outstanding transaction as having been cancelled and terminated and the costs of unwinding your position, or cancelling or terminating shall be added to your **account**;

- apply a charge to cover our extra administration costs;
- claim from you the total amount that you owe us together with interest on that amount at a rate of 2% above the Halifax variable mortgage base rate from time to time in force (calculated on a daily basis) from that date until payment in full has been received;
- realise any of your assets that we hold, or instruct our **nominee** to sell any of your **investments** or connected rights that it holds for you, and apply the proceeds towards settling the total amount owed by you. Any shortfall will still be due from you; and
- you authorise us to apply any cleared funds that we hold for you towards settling the total amount owed by you on your **account**. Any shortfall will still be due from you.

6.5 Until we receive in cleared funds any outstanding amounts that you owe us:

- you authorise our **nominee** to keep your holding, share certificate(s) and/or connected rights and we may also refuse to carry out any instructions relating to your holding, share certificate(s) and/or connected rights.

6.6 Title to any **investments** shall not pass to you until you have paid for them and our related charges in full.

7. Looking after investments and cash held pending investment

How will shares and other investments be looked after?

7.1 **Investments** that you buy or subscribe for or transfer into your **account** will be held in **safe custody** in your **account**.

There are charges for some services (see **The SIT SIPP application pack or website**).

7.2 We will not lend or deposit by way of collateral any **investments** in your **account** to a third party without your express permission.

7.3 You must not use the **investments** and cash in your **account** as security for a

loan. Money may not be borrowed on the security of **investments** in your **account**.

7.4 If you ask, we will arrange for you to:

- receive a copy of the annual report and accounts for every company or other concern in which you invest through your **account**;
- receive any other information issued to holders of the **investments**;
- attend shareholders' meetings, subject to any restrictions on attendance imposed by the company; and
- vote by proxy (by telling us how you want the votes to be exercised by the **nominee**).

We will only use any rights we have to vote for you when you tell us to do so.

How will cash held pending investment be looked after?

7.5 We will hold your **SIPP** funds so that we comply with the **FSA** Rules.

7.6 In the event of an **approved bank** being declared in default we will make a claim on your behalf, including, where applicable, through the Financial Services Compensation Scheme. Under the Financial Services Compensation Scheme, compensation of up to £50,000 of funds held with the relevant **approved bank** is available to eligible claimants. You should note that the £50,000 limit applies to the aggregate of all your claims against the relevant **approved bank**, including any claims you may have directly against the relevant **approved bank**. As such, you may lose all or part of your funds.

7.7 If you ask us to **deal** in overseas **investments** for you, we may hold your money in a bank account with an **approved bank** outside the UK or pass your money to an intermediate broker or agent, **settlement** agent or Over The Counter (OTC) counterparty outside the UK. In such circumstances, the legal and regulatory regime applying to the **approved bank**, intermediate broker, **settlement** agent or OTC counterparty will be different from that of the UK and, in the event of a failure of the bank, intermediate broker, **settlement** agent or OTC counterparty, your money may

be treated in a different manner from that which would apply if your money were held by a bank intermediate broker, **settlement** agent or OTC counterparty in the UK. Where we hold your money in a bank account with an overseas **approved bank**, such bank may be entitled to combine the account with any other account or to exercise any right of set-off or counterclaim against money in that account in respect of any sum owed on any account of ours. We will not be liable for the solvency, acts or omissions of any third party referred to in this term.

7.8 If we hold at least £1 in cash for you in your **account**, we will pay interest on it. Interest is accrued daily and paid gross annually. The current rate(s) can be found on our **website** or by calling us.

7.9 Any cash that you are entitled to receive in connection with your **account**, will be rounded down to the nearest penny.

7.10a All **income** and cash entitlements once received by us will be paid promptly into your **account** pending investment unless you elect to take part in a **DRIP** scheme.

- We will only accept dividends in cash unless we agree otherwise.

What should I do if I want to join a Dividend Reinvestment Plan?

7.10b You can elect to join a **DRIP** by giving us your online instruction or by calling us. Once you have elected to participate in the **DRIP** all future dividends on **CREST** eligible shares will be reinvested under the **DRIP** until you withdraw from the **DRIP**. If you have more than one **account**, you will need to give us separate instructions for each **account**.

7.10c If your **account** has been restricted by us for any reason your **DRIP** instruction will not be actioned and any related money will be placed in your **SIPP**.

How many shares or units will I receive?

7.10d The number of shares you will receive for each dividend will depend on:

- (i) the amount of your cash dividend, which is based on the number of shares you hold at the relevant dividend record date multiplied by the dividend payment amount;

- (ii) the price at which the shares are bought; and
- (iii) the dealing costs and stamp duty reserve tax for the purchase of the shares. You will receive the maximum whole number of shares or fractions of a unit which can be bought on your behalf. We will not invest amounts less than £1 into Unit Trusts or OEICs. Any cash left over will be paid back into your **SIPP**.

What happens if my dividend is not enough to buy a share?

- 7.10e **If** your dividend and any cash balance brought forward, after taking into account costs, is not enough to buy at least one share, the whole of your dividend will be paid in cash to your **SIPP**. As Unit Trusts and OEICs can be bought in fractional amounts, we will invest any amount over £1 and buy the maximum amount available relating to the dividend you received.

Can I join the DRIP for just some of my shares?

- 7.10f No, dividends will be reinvested on all of your **CREST** eligible shares and **cofunds** eligible Unit Trusts and OEICs.

What if I sell my shares?

- 7.10g **If** your whole holding is sold before the dividend payment date no reinvestment will take place and the whole of your dividend will be paid in cash to your **SIPP**.

How can I leave the DRIP?

- 7.10h You can elect to leave the **DRIP** by giving an online instruction or by calling us.
- 7.11 We may offer you the option of using **income** to automatically buy more of one type of investment held in your **SIPP**. We will write to you separately if this option is available to you. We will choose the date of reinvestment.

How are corporate actions dealt with?

- 7.12 **If** you are entitled to extra **investments** (for example, through a bonus or other capitalisation issue), we will automatically arrange to hold your new **investments** in your **account**.
- 7.13 **If** a **corporate action** happens in relation to your **investments** held in

your **account** we will communicate with you outlining the terms and conditions (where applicable) of the offer, requesting your instructions by a given date. You must give us your instructions, by a method that we request, by the end of that given date. If we become aware of a **corporate action** at short notice, and do not have time to obtain your instructions, we will select the default option that is specified by the company in question or its registrar.

- 7.14 We may delay writing to you until the **corporate action** has been declared ex-entitlement or, in the case of a mandatory **corporate action**, until the **corporate action** has become effective and we have received the benefits to which you are entitled. With the exception of a compulsory acquisition, where we do not receive any instructions from you by a given date, we will not accept any such offer on your behalf without your specific instructions and will not accept instructions to accept only part of such an offer. This could mean any benefits that you were entitled to could lapse.
- 7.15 **If** we do not receive any instructions from you by a given date in respect of a compulsory acquisition, we will accept the basic terms of the acquisition on your behalf. We will write to you when this has occurred.
- 7.16 We must receive cleared funds from you by the given date that we notify to you before we can carry out an instruction to make a payment in respect of a **corporate action**. These funds will need to be available in the **SIPP** on the given date. If cleared funds are not available no action will be taken, subject to condition **7.12**.
- 7.17 The terms of a **corporate action** may require us to make an election on behalf of our **nominee** holding in a company. **If** it does, we may not be able to get instructions from all of our clients who hold shares in that company. We reserve the right not to offer the option to you. We will use reasonable efforts to give you an alternative option

but we cannot guarantee that this will match the option given by the company.

7.18 If, as a result of a **corporate action**, we receive **investments** which are not permitted to be held in your **SIPP**, we will sell the stock out of your **SIPP** within 30 calendar days.

7.19 Where our **nominee** receives a distribution of entitlement to shares and any other benefits due to you arising from a **corporate action**, we will allocate the entitlement to your **account** promptly but at the latest in accordance with the **FSA's** guidelines. Any entitlements will be rounded down to the nearest whole share or to 6 decimal places for Unit Trusts.

7.20 Under the rules of any **market**, if you are selling shares through us and you receive a related benefit to which you are not entitled, you must give up this benefit to us and we will collect it and pass it on to the person entitled to it. Equally, if you are buying shares and you do not receive a related benefit to which you are entitled we will claim that benefit for you. Entitlement is established by reference to the **market's** "ex-date" (that is, the date on which an **investment** is traded without that entitlement) and not the "record date" (that is, the date on which it is determined all holders shown on the register will receive a benefit).

If you make a **corporate action** election and subsequently sell your shares, you will be liable for any costs associated with us having to buy back those shares to honour your election. You will also be liable to pay for any loss arising from adverse movements in the share price.

7.21 Where we are required to make a **corporate action** call payment on your behalf, or we need to pay you a dividend, interest or a cash entitlement in a currency other than pounds sterling, we will make the appropriate currency conversion in accordance with clause 5.3 and will inform you of the pounds sterling equivalent and when we are to debit this from your **SIPP**. The exchange rate used will be the appropriate prevailing commercial rate on that day, available on request.

7.22 If you purchase or transfer into your **account** Nil Paid shares, it is your responsibility to instruct us, in good time, to pay any call monies due in order to receive the fully paid shares. In the absence of such instructions, or where there are insufficient funds available, your Nil Paid shares will lapse.

7.23 If the **investments** held in your **account** are subject to a **corporate action** which includes an offer to purchase additional shares and you decide not to take up that offer, we may instruct our **nominee** (as legal owner of the **investment**) to purchase those shares on our behalf. We will retain any profit (and be liable for any loss) on any future sale of those shares by our **nominee**.

How can investments/cash be transferred out of an account?

7.24 We will transfer **investments** direct to another administrator, at the request of **A J Bell Management Limited**. We will charge you for these services. The latest charges are listed on our **website**.

Can an account be suspended?

7.25 If we reasonably believe that you are using **The SIT SIPP Dealing Service** for illegal purposes, or if we find out that there is a disagreement about who owns or has authority to **deal** in the **investments** held for you under **The SIT SIPP Dealing Service** we may freeze all or some of the **investments** held for you. This means that we will not allow anyone to deal with those **investments** or carry out any transactions until we are satisfied that you are not using your **account** for illegal purposes or that the disagreement is settled.

What happens on death?

7.26 On your death the value of your **SIPP account** will be used to provide benefits for your family, dependants and/ or nominated beneficiaries. Information on the benefits that may be provided is contained in the **Key Features Document** for **The SIT SIPP**. **A J Bell Management Limited** is responsible for determining the benefits to be paid in the event of your death and will

liaise with your family, dependants, nominated beneficiaries and/or personal representatives, to arrange payment.

- 7.27 Once it has received satisfactory evidence of your death, **A J Bell Management Limited** will notify us. Our **nominee** will continue to hold **investments** and any cash in your **SIPP** until we receive instructions from **A J Bell Management Limited** to sell those **investments**. Your **account** will then be closed and value paid in accordance with the instructions received from **A J Bell Management Limited**.
- 7.28 Until we sell **investments**, they will be subject to daily price movements as normal.

8. Dealing charges and SIPP administration charges

What charges apply and how will they be levied?

- 8.1 We make dealing and other charges in connection with your **account**. We also make administration charges for the **SIPP**. Details of all our current charges are listed on our **website**. We may introduce new charges or change our existing charges. When you **deal** with us, our latest charges will apply. Because of this you should make sure you have checked the latest charges on our **website**.
- 8.2 We will collect dealing charges by adding them to the cost of buying **investments**, or by taking them from the sale proceeds. We may collect these charges, our administration charges or any other applicable charges from your **SIPP** or by selling any **investments** that you hold. Additional charges may be levied by the Fund Manager in relation to orders placed in Unit Trusts and OEICs. Any applicable charges will be included within the amount you are investing or deducted from the sale proceeds.
- 8.3 You will pay any Stamp Duty, Stamp Duty Reserve Tax, Value Added Tax or any other taxes or levies which apply when you buy or sell **investments** or incur charges. We will account to the

appropriate authorities for all such taxes and levies.

- 8.4 When we calculate our administration charges, we round up fractions of a penny to the nearest penny.

9. What information will be sent to me?

- 9.1 We may send you marketing information and market analysis but this will not form a personal recommendation and any decision about your **investments** rests with you.
- We make market information available to you as part of the services provided through our **online service**. The market information is for your own personal use. You must not pass the information on to anyone else or use it for any commercial or unlawful purpose.

If you think that someone has used market information without our permission, you must notify us straightaway.

If we provide market information, we use sources we believe to be reliable. If we use an independent information provider to provide market information, we will use all reasonable care and skill to choose that provider. But, because we and any provider have no control over the information sources, we cannot promise that the market information is accurate, complete, timely or in the right order. You must satisfy yourself that market information is reliable before you make any decisions or take any actions based on it.

We are not responsible for any decision or action you take or any loss you or anybody else may suffer as a result of such a decision or action. We cannot promise that the market information will always be available to you.

What information is sent about a deal?

- 9.2 Unless condition **9.3** applies, by close of business on the **working day** following your **deal**, we will send you a paper **contract note**. If you do not receive a **contract note** within the period notified to you at the time of the **deal**, you should

not repeat your instruction. Instead, you should contact us for more information.

- 9.3 **If** you have asked us not to send you a paper **contract note** for your **deal(s)** the word “**online contract note**” shall be substituted for “**contract note**” throughout these conditions, except in conditions **9.2** and **9.4**.

As soon as is reasonably practicable following your **deal**, we will send you an e-mail stating that an **online contract note** is available on the secure area of our **website**. **If** you do not receive an e-mail from us, you should not repeat your instruction; instead you should check the details of your **deal** through our secure **website**; clicking on the **deal** reference number will display the **contract note** details. You can also contact us for further information.

You will not receive any confirmations or other information relating to your **deal(s)** in hard copy or by e-mail. All information relating to your **deal(s)** and **investments** will be for viewing on the Dealing History page of the secure area of our **website**. **If** you wish to receive paper **contract notes** after you have requested not to receive them you will need to contact us.

If, at any point, the flow of information between us is interrupted (for example, your computer crashes or you can no longer access our **website**), and you are not certain whether a **deal** has been accepted or not, do not try to enter the **deal** again. Instead, please try to log onto our **online service** again and check your Halifax Share Dealing account details. **If** you cannot log on, or you are still uncertain about the **deal**, please telephone us and we will confirm the position.

Our records are conclusive (except for any errors and omissions). For a **deal**, this means that the information held on our computer systems, and the **contract note** or online confirmation for that **deal**, are the only valid evidence of the **deal**. In particular, the screen message may not be used as evidence of that **deal**.

- 9.4 **If** we are unable to provide you with an **online contract note** we will send you a paper **contract note**.

- 9.5 **If** we make a mistake when we carry out your instructions to make a **deal** we may provide you with or send you a **contract note** that shows our mistake. When we have corrected our mistake, we will provide you with or send you a **contract note** that will show the steps we have taken to correct the mistake. **If** you suspect an error has been made on your **account** you must contact us immediately in order for us to investigate.

How often are statements and valuations sent?

- 9.6 Unless you have registered to use our **online service**, we will send you a statement and valuation of your **investments** held in your **account** at least annually. This will show the value of your **investments** and the basis on which that value has been calculated. **If** you have registered to use our **online service**, you will be able to view on the **website** a valuation of your portfolio and a statement showing up to date details of any cash and stock movements on your **account**. The valuation of your portfolio during the **dealing period** will be the current market price, delayed by 15 minutes.

If you are viewing your valuation after the **dealing period** has ended on a **working day**, it will be based on the close of business prices for that day. **If** you are viewing it on a day that is not a **working day**, it will be based on the close of business prices for the previous **working day**.

What other conditions apply to communications between us?

- 9.7 We do not accept any responsibility for documents before we receive them or after they have been sent to you. You are responsible for any charges relating to the recovery or replacement of lost documents. You should keep a note of the date on which you post documents

to us and of any cheque or certificate numbers to help with any enquiries that may arise. We do not accept responsibility for postal delays.

- 9.8 We will send all written notices and other communications to the address that you gave us when you applied for your **account** or the latest address that you have given us. They will be treated as arriving 72 hours after posting.

If you register for our **online service** you must supply us with an up-to-date e-mail address. We will contact you by e-mail to inform you of **deals** on your **account**, pending **corporate actions** and other important communications. E-mails will be treated as arriving immediately upon sending by us.

- 9.9 **If** you change your name, address, e-mail address or other contact details, you must contact **A J Bell Management Limited** by telephone or write to them straight away. **If** you have not told **A J Bell Management Limited** about a change of contact details and we send a notice to the latest details that you have given them, it will be effective.

You should make sure that the arrangements for receiving mail at your address are safe and that you can receive e-mail from us.

- 9.10 When we receive returned mail or e-mails, we will make reasonable endeavours to contact you to get your new details. We reserve the right to not send further communications to the old address or old e-mail address.
- 9.11 We may keep any e-mails sent to or from us. We do this to check what was written and also to help train our staff.

10. How are complaints dealt with?

- 10.1 **If** you believe that we have failed to carry out your instructions correctly, you must report this to us immediately. We will investigate your complaint in accordance with the **FSA** Rules.
- 10.2 **If** you have a complaint about your **account** or would like details of our complaints procedures, please call us or

write to the **Customer Services Manager, Halifax Share Dealing Limited, Lovell Park Road, Leeds, LS1 1NS** or e-mail us **customercare.hsd@halifax.co.uk**. **If** we cannot resolve your complaint to your satisfaction, you have a right to complain directly to the **Financial Ombudsman Service** whose address is **South Quay Plaza, 183 Marsh Wall, London E14 9SR**.

11. Regulatory matters and disclosures

- 11.1 We will treat you as a retail client for the purposes of our relationship. We will act for you on an execution only basis which means we cannot give you investment or taxation advice.
- 11.2 We will carry out each **deal** under the Rules of the **FSA** and any **market** on which we carry out that **deal**.
- 11.3 **If** we cannot perform any of our services under these conditions due to circumstances beyond our reasonable control, then we will take all reasonable steps to bring those circumstances to an end, but we will not be liable for our non performance except to the extent required by the **FSA** Rules, the Financial Services and Markets Act 2000 or any regulations issued under that Act.
- 11.4 We can employ agents on such terms as we think fit and we can delegate any of our functions under these conditions. We will satisfy ourselves that any person to whom we delegate any functions under these conditions is competent to carry out those functions.
- 11.5 No notice of any trust, express, implied or constructive will be binding on us, or our **nominee**.
- 11.6 Your attention is drawn to the fact that there may be limited circumstances in which a conflict exists between your and our interests. To mitigate and control these conflicts we have drawn up a conflict of interest policy.

A summary of this document is provided separately, although you may request a copy of the full policy at any time by contacting us.

- 11.7 We may **deal** for you in **investments** that may have been the subject of “Stabilisation”. Stabilisation is a process that supports the price of newly issued **investments**. It can make the market price of the newly issued **investments** temporarily higher than it would otherwise be. It may also affect the market price of **investments** of the same class already in issue and of other **investments** whose price affects the price of the newly issued **investments**. It is undertaken to ensure that:
- newly issued **investments** are introduced to the market in an orderly fashion; and
 - the issue price and/or price of associated **investments** is not artificially depressed because of the increase in supply caused by the new issue.
- It may only take place for a limited period. There are limits on the price at which shares and **warrants** may be stabilised.
- 11.8 Neither we nor any member of the **Lloyds Banking Group** accept any liability either for any consequential loss arising from error or omission, but this will not exclude or restrict any obligation owed to you under the FSA Rules, the Financial Services and Markets Act 2000 or any regulations issued under that Act.
- 11.9 If we give you at least 10 **working days**’ notice either by
- (a) writing to you, (b) by publishing the change in at least two national newspapers or (c) if you have registered to use our **online service**, by publishing the change on our **website**, we may change these conditions for any valid reason and if it is reasonable to make the change. **If** we have accepted your instructions to carry out a **deal** before we give this notice, we will carry out and settle that **deal** in line with the conditions before the change is made. See also condition 5.8.
- 11.10 We have accepted responsibility under the FSA Rules for any custodian function carried out by our **nominee** in its capacity as an eligible **nominee**.
- 11.11 If we appoint a custodian to act as our **nominee** in respect of **investments** that are subject to the law or market practice of a jurisdiction outside the UK:
- different **settlement**, legal and regulatory requirements may apply from those in the UK; and
 - there may be different practices for the separate identification of **safe custody investments**.
- 11.12 We are a participant in the **Financial Services Compensation Scheme**. As you have been categorised as a retail client, you may be able to make a claim on this Scheme if we default in our obligations to you. Compensation of up to a maximum of £50,000, is available to eligible claimants. **If** you ask, we will send you a summary of your rights under the Financial Services Compensation Scheme. Further information can also be obtained from the Financial Services Compensation Scheme.
- 11.13 Your **investments** will be pooled with **investments** held for other clients. This means that your **investments** will not be identified by separate certificates. Our **nominee** companies are owned by us. **If** our **nominee** defaults, we accept full responsibility for it. We will not disclaim losses arising directly from its fraud, wilful default or negligence. We are wholly owned by the **Lloyds Banking Group**.
- 11.14 We can suspend or withdraw all or part of the Halifax Share Dealing Service from you at any time on immediate oral or written notice. **If** we have already accepted your instructions to carry out a **deal**, we will carry out and settle that **deal** in line with the conditions on a reasonable endeavours basis unless we have a valid reason not to do so. **If** the Halifax Share Dealing Service is suspended or withdrawn from you we will contact **A J Bell Management Limited** regarding alternative arrangements.
- 11.15 **If**, after acting for you and our other clients for any transaction, we are left with fractions of **investments** or cash, we may add these together, sell them (in the case of **investments**) and keep

the proceeds to set against our operating expenses.

- 11.16 We are not responsible for any loss incurred as a result of the actions or omissions of any third party.
- 11.17 Nothing in these conditions excludes or restricts our duties under the rules of the Financial Services Authority, the Financial Services and Markets Act 2000 or any regulations issued under that Act. Any references to provisions, rules or other requirements of the Financial Services and Markets Act 2000, the **FSA** or any **market** in these conditions, we mean the requirements from time to time in force.
- 11.18 **If** we are required to give warranties before acting for you, we may require you to give us an indemnity before we act.
- 11.19 You may exercise your right to withdraw from the Halifax Share Dealing Service contract by giving us 14 calendar days notice. Any instruction to buy, sell or subscribe for **investments** entered into during the notice period is not subject to this right and you must arrange to transfer the **investments** to another administrator. Any charges or fees incurred by you during the notice period remain your responsibility.
- 11.20 Where your **account** does not hold any **investments** or cash and has not been used for a period of 12 months or more, we reserve the right to treat your **account** as inactive and refrain from sending you any correspondence, documentation or marketing literature.
- 11.21 Where your **account** does not hold any **investments** or cash and has not been used for a period of 3 years or more, we reserve the right to treat your **account** as closed.
- 11.22 We reserve the right to pass your details to a third party for debt collection purposes if we reasonably believe any amount owing to us by you will not be paid.
- 11.23 It is agreed that these conditions are governed by English law and that any dispute will be dealt with by the English courts. All communication, either oral or written will be in the English language.

How we use your Personal Data

- 11.24 Like other financial organisations, we are legally obliged to collect, verify and record information confirming client identity and to report details of suspicious transactions to the Serious Organised Crime Agency. For more details please contact us.
- 11.25 For details of the main credit reference agencies we use please contact us.
- 11.26 We may use credit scoring methods to assess your application and verify your identity. Members of our group and other companies may use credit searches and other information supplied to us and/or the credit reference agencies about you and someone linked financially with you, including previous and subsequent names, to make credit decisions about you or other members of your household. Any of this information may also be used for identification purposes, debt tracing, preventing money laundering and managing your **account**.
- 11.27 We may disclose any information you provide to us to a licensed credit reference agency that may retain a record of the search. We will use the results of the search to check your identity and to determine your creditworthiness, although we will not extend a line of credit to you.
- 11.28 We have systems that protect our clients and ourselves against fraud and other crime. Client information can be used to prevent crime and trace those responsible. We may check your details with fraud prevention agencies. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
- Checking details on applications for credit and credit related or other facilities;
 - Managing credit and credit related accounts or facilities;

- Recovering debt;
- Checking details on proposals and claims for all types of insurance;
- Checking details of job applicants and employees.

Please write to us at **Compliance & Risk, Halifax Share Dealing Limited, Lovell Park Road, Leeds, LS1 1NS** if you want details of those credit reference agencies and fraud prevention agencies from whom we obtain and with whom we record information about you. We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. You have a legal right to these details.

11.29 Occasionally we search credit reference and fraud prevention agency files as well as our own internal group records to manage your **account** and take decisions such as whether to offer or continue to offer our service. Lenders who may assess your ability to obtain credit may see these searches.

11.30 'Associations' linking your financial records may be created on Credit Reference Agency records when you apply for accounts in joint names. Your financial records, and those of anyone financially associated with you, may be considered in any future applications you make.

11.31 The Data Protection Act puts obligations on users of personal information and lays down principles for its use. One principle states that information has to be processed fairly and lawfully. This means that you are entitled to know how we intend to use any information you provide. You can then decide whether you want to give it to us. To provide outstanding client service we need accurate client information. You can help by informing us whenever your circumstances change. Organisations must lodge a notification with the Information Commissioner describing the purposes for which they process personal information. The details are publicly available from the Commissioner's office at **Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF**.

Tel **01625 545745**. Fax 01625 524510. Alternatively, see the Commissioner's website: **www.informationcommissioner.gov.uk**.

11.32 We may ask any other member of the **Lloyds Banking Group** to give us information about you which will help us to identify you. We and other members of the **Lloyds Banking Group** may exchange information about you for administrative purposes.

11.33 Our main use of your personal information is to look after your **account** or to provide the specific service you require. If you do not wish to hear about these, please call us or let us know by any means available to you. Sometimes we need to give information to our agents and subcontractors so that they can provide a particular service for us. Sometimes, these companies may be located abroad in countries that do not have data protection laws. In these circumstances we always take great care to ensure that your personal information is kept safe and secure.

- 11.36 We may use your **account** details, transactions and information provided to us by third parties in our client contact programme.
- 11.37 You agree that:
- we may give details about you and your **account** to the companies or other concerns whose **investments** you hold; and
 - companies or other concerns whose **investments** you hold may disclose details about your **investments** to us.
- 11.38 We may record telephone conversations to fulfil regulatory record keeping requirements, offer you additional security, resolve complaints and improve our service standards. Conversations may also be monitored for staff training purposes.
- 11.39 **If** you provide us with your e-mail address or mobile phone number, we will keep a record of these. We may use them to contact you occasionally about our products and services unless you ask us not to do so. We will not give your e-mail address or mobile phone number to any third parties other than those detailed in **11.33**.
- 11.40 If you send us e-mail over the Internet, remember that it will be 'unsecure' and could be intercepted. If you do send us 'unsecure' e-mail, please keep the amount of confidential information you include to a minimum. We will do likewise when we reply.
- 11.41 Certain information collected may be classified as sensitive and we can only use such data where we have your explicit consent. This data relates to racial or ethnic origin, political opinions, religious beliefs, trade union membership, physical or mental health, sexual orientation, criminal proceedings and offences and will only be processed in order to provide the service requested.
- 11.42 Under the Data Protection Act you have the right of access to information we hold about you on our records. The Act allows us to charge a fee of £10 for this service. If anything is inaccurate or incorrect, please let us know and we will correct it.

- 11.43 We may disclose any information that we have about you or your **account** to any governmental or regulatory body entitled by law to that information.

12. Regular investments

What are Scheduled investments and how do they work on my SIPP?

- 12.1 The following conditions **12.1** to **12.5** inclusive explain how scheduled **investments** work on your **SIPP**. The following defined words in bold type have special meaning in relation to scheduled **investments**.

An investment day is a day on which we will effect a scheduled investment for you. Each investment day that applies to you is set out in your investment plan which you can access through the **website**.

A scheduled investment is a purchase of **investments** on one or a series of investment days chosen by you and specified on the **website**.

When and how will my Scheduled instructions be carried out?

- 12.2a When you instruct us to buy **investments**, you must tell us the amounts that you want to invest for scheduled **investments** and the companies in which you want to invest. For scheduled **investments** where you opt for a percentage amount, we will invest all available funds within your **account** on the day of the scheduled investment.
- 12.2b **If** you are making a scheduled investment we will purchase those **investments** on the investment day chosen by you through the **website**. **If** for any reason we are unable to purchase the **investments** on the investment day we will do so as soon as practical. You can change your instructions to make a scheduled investment at any time before the investment day on which the scheduled investment is due to take place.
- 12.2c We will only effect a scheduled investment when we are satisfied that we have cleared funds. Cleared funds must be available to us before the commencement of each investment day.

12.2d It is your responsibility to ensure that there are funds available to us before the commencement of each investment day for a scheduled investment. If funds are insufficient to cover the whole amount of a scheduled **investment(s)** we reserve the right to not carry out any part of the scheduled **investment(s)**. This will not affect subsequent scheduled subscriptions or **investments**.

12.2e If we think it appropriate (for example, because of **market** conditions), we can delay an investment day until such time as we think it is appropriate for us to **deal** on your behalf. If we delay an investment day, this will be disclosed on the **website**.

12.2f We will carry out your instructions at the best price available at the time of dealing. This is subject to condition 12.2g).

12.2g We may buy or sell scheduled **investments** for you and other clients as part of the same **deal**. When we do this, we must reasonably believe that we will obtain a more favourable price or the same price than if we had bought or sold your scheduled **investments** separately. However, it may work on some occasions to your disadvantage.

12.2h The date and time of the **deal** that we carry out for you will appear on the online confirmation.

How do I pay for the scheduled investments you buy for me?

12.3a For scheduled **investments**, we debit the funds from your **account**.

12.3b For scheduled **investments**, you will nominate a set amount to be invested through **The SIT SIPP Dealing Service**, in accordance with the schedule you have set up through our **website** and we will debit the appropriate amount from your **account** on each occasion we make a scheduled investment for you.

How do you allocate scheduled investments to my account?

12.4 For your scheduled **investments**, once we know the price of **investments** to be bought in accordance with your instructions, we will calculate the number of **investments** to be allocated to you

and allocate them to you as soon as reasonably practicable after we have completed the **deal**.

What information will I receive about my scheduled investments?

12.5 Information about your **investments** and about transactions you have undertaken and matters such as your subscription days will only be available to you through the **website**.
