

SHARE EXCHANGE SCHEME

The SIT ISA and STOCKPLAN

The Scottish
Investment Trust PLC

SIT Savings Share Exchange Scheme

Our cost-effective Share Exchange Scheme enables you to trade existing holdings of most UK equities and gilts for stock units in The Scottish Investment Trust PLC - through the SIT STOCKPLAN or the tax-efficient SIT ISA.

What are the benefits of exchanging your shares for SIT ordinary stock units?

- The Scottish Investment Trust PLC (SIT) is a classic 'buy and hold' global growth investment trust, which has been independently managed for over 120 years.
- SIT's global portfolio of carefully selected equities provides spread of risk and opportunity for reward.
- SIT offers greater diversity than most individual investors could possibly achieve.
- The charges for our Share Exchange Scheme and for SIT STOCKPLAN and The SIT ISA are very competitive.
- SIT's fund managers are highly experienced professionals, with years of research and share selection expertise.
- You are saved the time and effort required to monitor and manage an unwieldy portfolio of individual investments.

Exchanging your individual UK holdings for an investment in The Scottish Investment Trust PLC

- A low-cost exchange fee from only £30 per shareholding.
- Most listed UK equities – and many gilts – accepted.
- Minimum exchange just £500 in total value.

STOCKPLAN

STOCKPLAN is an investment trust savings scheme.

Investment can be by regular monthly instalments of £25 or more and/or lump sums of £250 or more. There is no maximum investment.

The SIT ISA

The **SIT ISA** is a stocks and shares Individual Savings Account. Investment can be by regular monthly instalments of £50 or more and/or lump sums of £500 or more up to the annual ISA investment limits.

Share exchange proceeds will apply towards both:

(a) Your annual ISA allowance,

and

(b) Your minimum SIT ISA investment.

There are no entry or exit charges - other than Stamp Duty of 0.5%. The annual fee is just 0.6%, capped at £30 + VAT.

For further information on The SIT ISA - including Terms & Conditions, Key Features and an Application Form - please telephone us free on 0800 42 44 22 and ask for **The SIT ISA** brochure or you can download the brochure from our website www.sit.co.uk

Share Exchange Scheme Charges

The SIT Savings Share Exchange Scheme charge is just 1.25% of the amount realised with a minimum charge of £30 and a maximum charge of £312.50.

Proceeds less charges are then invested in STOCKPLAN or The SIT ISA, these schemes' normal charges applying.

Procedures for Share Sale & Exchange

Pages 2 and 3 of this booklet provide completion instructions for processing a Share Exchange request. Once the completed documentation is received by the Administrator we will:

- (1) Proceed to sell those securities, which we can sell on your behalf - with proceeds applied to your STOCKPLAN or ISA immediately for re-investment into SIT stock units.
- (2) Advise you of any securities, which we cannot accept for a Share Exchange.

We make every effort to maintain flexibility in our approach. Each share or gilt is considered on its own merits with the vast majority of UK listed securities and gilts accepted.

Completion Instructions

Please note that an ISA investment must, by regulation, be made in the name of one UK investor only. Any existing holdings being exchanged into an ISA must be registered in exactly the same name as the SIT ISA account.

An existing SIT ISA investor* – need not complete another ISA Application Form. Proceeds may be applied to their existing account, by quoting the ISA Account Code.

*If you have not invested in consecutive tax years, a new application will be required.

We can only accept jointly held holdings where these are to be exchanged into a jointly held STOCKPLAN. Please note that the Certificate Title should match the STOCKPLAN account title including any designations.

Your Checklist

Each Share Exchange must be accompanied by the following:

1. A completed **Form of Instruction**.
 - a. This form may list more than one shareholding or undertaking to be exchanged.
 - b. **All** proceeds of any sale less selling charges will be applied to purchase SIT ordinary stock units on the terms listed on the form.
2. If applicable, a completed **Application Form** for STOCKPLAN or The SIT ISA.
 - a. This application should include instructions on any investment in addition to the Share Exchange proceeds (if applicable).
 - b. Continuing monthly investments require completion of the Direct Debit Form.
3. The applicable **Share Certificate(s)**.
4. A completed **CREST Transfer Form** for each separate security to be sold.
5. A cheque for any **additional STOCKPLAN or SIT ISA investment** (payable to **SIT STOCKPLAN** or **The SIT ISA** where applicable).

Your Form of Instruction

1. The **Name and Address** on this form should match the Personal Details on your existing SIT STOCKPLAN, SIT ISA or accompanying application and **Share Certificates**.
2. Please fill in your existing SIT STOCKPLAN or SIT ISA **Account Code**, if applicable.
3. The **Shares to be Sold** should be listed for each **applicable certificate number**. Please use one line on the form for each separate certificate number (even if the different numbers refer to the same company).

You may sell all – or part – of any holding. The **Number of Shares or Units** section has a separate column for all shares submitted, shares to be sold and any balance certificate to be returned to you.

ISA applicants should indicate the value of shares to be sold.

If you wish to sell an entire holding, you may write 'ALL' in the To be Sold column. If you run out of space, photocopies may be attached for additional shares.

4. Please tick the box – **STOCKPLAN** or **The SIT ISA** - for **Allocation of Proceeds**. Care should be taken that the total of Share Exchange proceeds meets minimum investment requirements for the scheme. If The SIT ISA is selected, only shares or gilts up to the value of the allowable annual ISA investment limit (less any cash invested) will be realised. A balance certificate will be obtained for any unsold element.
5. Given valid instructions for an exchange, shareholdings will normally be sold within 24 hours of receipt of the instructions by our nominated broker Halifax Share Dealing Ltd (HSDL) – and the proceeds less charges will be reinvested on the next normal dealing day following receipt of the sale proceeds by the scheme Administrator.
6. Please read the **Share Exchange Agreement** carefully. This section explains your rights and obligations, as well as the obligations of SIT Savings Limited, in the proposed share exchange.
7. Then, sign and date the **Declaration**.

5. I/We understand that the sale of the securities and the purchase of ordinary stock of The Scottish Investment Trust PLC on my/our behalf will take place in accordance with SIT's published practice and I/we agree that SIT will not be responsible for any unfavourable change in prices between the date of this Declaration and the date of sale or between the date of sale and the subsequent date of purchase of SIT ordinary stock.

Additional Notes

In some rare cases, it might take additional time to sell a portion of your shareholdings. If the balance of your shareholdings can be more quickly traded and reinvested, we will do so - adding the exchange value of the remaining holdings as soon as is practicable. In this event, we will always advise you of any delay for individual shares - and the reasons.

Exchange transactions using the SIT Savings Share Exchange Scheme would normally constitute a disposal for Capital Gains Tax purposes. If you are in any doubt about your CGT position, please consult your professional adviser.

As share exchanges take some time, you may receive offers for rights issues, allotment letters for scrip or even dividends to which you may no longer be entitled. If this happens, the documents should be forwarded to the Administrator without delay. We will send you a contract note for each of your Share Exchange Scheme transactions, as well as timely correspondence on any further requirements. Your contract notes should be retained for Capital Gains Tax purposes.

Please remember that past performance may not be repeated and is no indicator of future performance. The capital value of stock units and the income from them can go down as well as up and cannot be guaranteed. Investors may not get back the amount originally invested.
