Objectives of The Scottish Investment Trust PLC (SIT)

- *To provide investors with above average returns through a diversified portfolio of international equities; and*
- *To achieve, over the long term, asset growth in excess of the company's stated benchmark and dividend growth ahead of UK inflation.**

Risk

SIT's portfolio is invested over a range of industries and is diversified on a geographical basis so that risk is lowered. It regularly employs borrowed money to invest in equities with the objective of improving overall returns. The use of borrowings magnifies market movements both up and down. The company has a policy not to invest more than 15% of gross assets in other UK listed investment companies.

Benchmark*

The company's benchmark is made up of 50% FTSE Actuaries UK All-Share Index™ and 50% FTSE World (ex UK) Index Series.™

Management

The company is managed by its own employees led by the manager who is responsible to the directors for all aspects of the day to day management of the company. No other funds are managed leaving the management free to concentrate exclusively on the company's affairs.
