

Independent Auditors' Report

To The Members of The Scottish Investment Trust PLC

We have audited the financial statements of The Scottish Investment Trust PLC for the year ended 31 October 2005 which comprise the Statement of Total Return, the Balance Sheet, the Cash Flow Statement, the accounting policies and the related notes 1 to 20. These financial statements have been prepared under the accounting policies set out therein. We have also audited the information in the part of the Directors' Remuneration Report that is described as having been audited.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Directors and Auditors

As described in the paragraph headed directors' responsibilities in the Corporate Governance section of the Directors' Report, the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. They are also responsible for the preparation of the other information contained in the annual report including the Directors' Remuneration Report. Our responsibility is to audit the financial statements and the part of the Directors' Remuneration Report described as having been audited in accordance with relevant United Kingdom legal and regulatory requirements, auditing standards and the Listing Rules of the Financial Services Authority.

We report to you our opinion as to whether the financial statements give a true and fair view and whether the financial statements and the part of the Directors' Remuneration Report described as having been audited have been properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law or the Listing Rules regarding directors' remuneration and transactions with the company is not disclosed.

We also report to you, if in our opinion, the company has not complied with any of the four Directors' remuneration disclosure requirements specified for our review by the Listing Rules of the Financial Services Authority. These comprise the amount of each element in the remuneration package and information on share options, details of long-term incentive schemes, and money purchase and defined benefit schemes. We give

a statement, to the extent possible, of details of any non-compliance.

We review whether the Corporate Governance Statement reflects the company's compliance with the nine provisions of the July 2003 Combined Code specified for our review by the Listing Rules of the Financial Services Authority, and we report if it does not. We are not required to consider whether the board's statements on internal control cover all risks and controls, or form an opinion on the effectiveness of the company's corporate governance procedures or its risk and control procedures.

We read the Directors' Report and the other information contained in the Annual Report for the above year as described in the contents section including the unaudited part of the Directors' Remuneration Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of Audit Opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements and the part of the Directors' Remuneration Report described as having been audited. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the circumstances of the company, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements and the part of the Directors' Remuneration Report described as having been audited are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements and the part of the Directors' Remuneration Report described as having been audited.

Opinion

In our opinion:

- the financial statements give a true and fair view of the state of affairs of the company as at 31 October 2005 and of the total return of the company for the year then ended; and
- the financial statements and part of the Directors' Remuneration Report described as having been audited have been properly prepared in accordance with the Companies Act 1985.
